Instructions for this test:

- Make sure you finish before the end of the exam time
- There is only one correct answer in all multiple choice questions
- Don't cheat!

Good Luck!

Instructions on how to use RndTexExams (DELETE THIS IN THE FINAL VERSION)

- The switch statements for the text of the questions, including main text and answers are defined as @Text for version 1—Text for version 2@. For each question, fell free to define as many versions as needed.
- You can define the right answer in each version of the test by assigning the character [!] or [ver] in the right answer for version ver. See the rest of the file for examples.

1. Which one is the correct answer in the next five alternatives?

- (a) Choice 1
- (b) Choice 2
- (c) Choice 3
- (d) Choice 4
- (e) Choice 5 - CORRECT
